How We Compare to Other Camps

Safety During Excursions

That's Mandarin
At least 1 teacher is in charge of every 7 students.

Other Schools
Only 2 teachers are in charge of the whole group (usually 20-30 students).

Smaller Group Size

That's Mandarin
An average of 7 students per class.

Other Schools
An average of 20-30 students per class.

Chinese Classes

That's Mandarin
Emphasis on spoken fluency through fun games and activities.

Other Schools
Traditional, textbook-based classes.

Field Trips

That's Mandarin
Students will complete Chinese language and culture activities uniquely designed for each location.

Other Schools
Field trips are organized by a travel agency with no learning activities, so the students and the guide communicate only in English.

Learning Resources

That's Mandarin
Powerful online platform & creative, task-oriented textbooks designed by experts.

Other Schools
Paper-based reports and textbooks.

Food Safety & Balance

That's Mandarin
We ensure a smooth transition to Chinese food, with a focus on food safety.

Other Schools
Diet focusing mainly on Chinese food without balanced nutrition or variety.

Safety First

The safety of your child is our paramount concern. Rest assured your child is safe with us!

Professional Teachers

Our talented and enthusiastic teachers create an immersive experience by serving as both language instructors and guides on Chinese culture.
