How We Compare to Other Camps

Safety During Excursions

That's Mandarin

At least 1 teacher is in charge of every 7 students.

Other Schools

Only 2 teachers are in charge of the whole group (usually 20-30 students).

Smaller Group Size

That's Mandarin

An average of 7 students per class.

Other Schools

An average of 20-30 students per class.

Chinese Classes

That's Mandarin

Emphasis on spoken fluency through fun games and activities.

Other Schools

Traditional, textbook-based classes.

Field Trips

That's Mandarin

Students will complete Chinese language and culture activities uniquely designed for each location.

Other Schools

Field trips are organized by a travel agency with no learning activities, so the students and the guide communicate only in English.

Learning Resources

That's Mandarin

Powerful online platform & creative, task-oriented textbooks designed by experts.

Other Schools

Paper-based reports and textbooks.

Food Safety & Balance

That's Mandarin

We ensure a smooth transition to Chinese food, with a focus on food safety.

Other Schools

Diet focusing mainly on Chinese food without balanced nutrition or variety.

Safety First

The safety of your child is our paramount concern. Rest assured your child is safe with us!

Professional Teachers

Our talented and enthusiastic teachers create an immersive experience by serving as both language instructors and guides on Chinese culture.

Fun! Fun! Fun!

Our activities are engaging, inspiring and fun, with an emphasis on being educational and, above all, safe!

Personal Growth

Camp activities are designed to nurture personal leadership, teamwork, and communication skills.
